

CURRICULUM VITAE

Keith M. Bellizzi, PhD, MPH, MA

PRESENT TITLE AND AFFILIATION

Professor
Human Development and Family Sciences
University of Connecticut

OFFICE ADDRESS

Human Development and Family Sciences
University of Connecticut
348 Mansfield Road
Storrs, CT 06269-1058

Phone: 860-486-0063

Email: keith.m.bellizzi@uconn.edu

www.cancersurvivorship.uconn.edu

EDUCATION

- 2003-2005 Postdoctoral Fellow in Cancer Prevention and Control
Cancer Prevention Fellowship Program (CPFP), Division of Cancer Prevention
National Cancer Institute, National Institutes of Health, Bethesda, MD
- 2004 George Washington University, Washington, DC
Masters in Public Health (MPH), Epidemiology
- 2003 University of Connecticut, Storrs, CT
PhD in Human Development and Family Sciences
Specialization in Adult Development and Aging
- 1998 Central Connecticut State University, New Britain, CT
Masters of Arts, Psychology
- 1993 Quinnipiac University, Hamden, CT
Bachelor of Science with honors, Management
-

PROFESSIONAL EXPERIENCE

- 2020-present Professor, Human Development and Family Sciences, The University of Connecticut
- 2016-2019 Senior Scientific Advisor, Outcomes Research Branch, Health Care Delivery Research Program,
National Cancer Institute, NIH, Bethesda, MD
- 2012-2019 Associate Professor, Human Development and Family Sciences. The University of Connecticut
- 2008-2012 Assistant Professor, Human Development and Family Sciences. The University of
Connecticut

- 2010-Present Joint Appointment. Center for Public Health and Public Policy. The University of Connecticut
- 2009-Present Affiliate, Center for Population Research. The University of Connecticut
- 2008-Present Principal Investigator, Institute for Collaboration on Health, Intervention and Policy (InCHIP). The University of Connecticut
- 2005-2008 Health Scientist and Program Director, Office of Cancer Survivorship, Division of Cancer Control and Population Sciences, National Cancer Institute, Rockville, MD
- 2003-2006 Cancer Prevention Post-Doctoral Fellow, Cancer Prevention Fellowship Program, Office of Preventive Oncology, Division of Cancer Prevention, National Cancer Institute, Rockville, MD
Preceptor: Julia Rowland, PhD
- 1999-2002 Project manager/graduate research assistant, University of Connecticut Prostate Cancer Project, Funded by the National Institute of Aging (NIA)
Principal Investigator: Thomas O. Blank, PhD
- 1999 Interim Director, Career Services, Yale University, New Haven, CT
Graduate School of Arts and Sciences
- 1997-1999 Recruiting Manager, Career Services, Yale University, New Haven, CT
School of Management
- 1996 Change Management, Human Resources, Andersen Consulting, Hartford, CT
- 1995 Psychology Internship, Connecticut Psychological Association, East Hartford, CT

HONORS AND AWARDS

- 2014 *Top 10 Abstracts* at Annual Meeting of the American Psychosocial Oncology Society. Individual Physical Symptoms and their Associations with Physical and Mental Health in Colorectal Cancer Survivors. New Orleans, LA
- 2010 *Citation Abstract for Outstanding Contribution to Oncology*. Double jeopardy? Age, race and QOL in older adults with cancer. Paper presented at 2010 Annual Meeting of the Society of Behavioral Medicine, Seattle, WA.
- 2009 *New Investigator Award*. American Psychosocial Oncology Society (APOS) presented February 2009 in Charlotte, NC
- 2008 “40 Under 40” *Outstanding Graduate* of the University of Connecticut
- 2008 *Lorraine Wetherell Distinguished Alumni Award*. University of Connecticut
- 2006 *Governor’s Citation* (Gov. Robert Ehrlich). State of Maryland

In recognition of commitment to cancer control efforts

- 2005 *Bristol-Myers Squibb Tour of Hope*. 2005 National Cycling Team.
One of twenty-four cyclists selected, out of 1,100 applicants, to cycle 3,300 miles in 9 days with Lance Armstrong from San Diego to Washington, DC – to inspire and educate the public about the importance of cancer research and clinical trials.
www.tourofhope.org.
- 2005 *CaPSURE Scholar* (Cancer of the Prostate Strategic Urologic Research Endeavor) Scholar Research Grant. University of California San Francisco and TAP Pharmaceuticals
- 2005 *Legacy Fund Student Travel Grant*
The Legacy Fund and Canadian Association of Gerontology
- 2003 *Doctoral Dissertation Fellowship Recipient*. The Research Foundation, University of Connecticut.
- 2003 *Behavioral and Social Sciences Dissertation Research Award (Finalist)*
The Gerontological Society of America
- 2002 *Grant Writing Scholarship*. National Cancer Institute and American Cancer Society
- 2002 *Pre-doctoral Summer Fellowship*. School of Family Studies, University of Connecticut
- 2000-2001 *Research Fellowship in Gerontology*.
University of Connecticut, Center on Aging and Human Development.

COMMUNITY AND PROFESSIONAL ENGAGEMENT/SERVICE

Connecticut State Activities

- | | | |
|--------------|-------------------------------|--|
| 2014-present | Board of Directors | Connecticut Cancer Partnership. A CDC Initiative |
| 2011-present | Co-Chair | Cancer Survivorship Committee. Connecticut Cancer Partnership. State initiative funded by the CDC. |
| 2011-2016 | Medical Advisory Board | Connecticut Challenge |
| 2008-2014 | Member | Cancer Survivor Advisory Board. Hartford Hospital.
Harry and Helen Grey Cancer Center |

National and International Activities

- | | | |
|--------------|--|---|
| 2019-present | Associate Editor , Virtual Issues | Translational Behavioral Medicine: Practice, Policy, Research, Oxford University Press |
| 2019-present | Cancer Outcomes Working Group | The PhenX (co-operative agreement with NHGRI, NIH) |
| 2018 | Dissertation Reviewer | University of Newcastle, Australia, Psychology Dept. |
| 2018 | Scientific Grant Reviewer | The Netherlands Organisation for Scientific Research, Vidi programme NWO/ZonMw, The Netherlands |

2018	Working Group Member	NIH All of Us Research Program's Research Priorities Workshop, Bethesda, MD
2017	Scientific Grant Reviewer	Scientific Directorate of the National Cancer Institute in Milan, Italy
2010-present	Associate Editor	Translational Behavioral Medicine: Practice, Policy, Research (TBM). Oxford University Press
2008-2016	Chair	Research on Cancer and Aging Special Interest Group, Gerontological Society of America
2009	Scientific Grant Reviewer	NIH Roadmap Initiative: Risk, Prevention, & Health Behavior Integrated Review Group, Division of AIDS, Behavioral and Population Sciences, NIH.
2007-2008	Guest Editor	Aging in the context of cancer prevention and control: Perspectives from behavioral medicine. Special Supplement to the Journal, <i>Cancer</i>
2007-2008	Co-Host	Cancer Survivorship Teleconference. The Sixth Annual Survivorship Series: Living With, Through and Beyond Cancer.
2006-2010	Quality of Life Track Chair	Society of Behavioral Medicine Annual Scientific Conference
2005-2008	Member	PROMIS (Patient-Reported Outcomes Measurement Information System) project – Cancer Module. NIH Roadmap Initiative
2007-2008	Member	Adolescent and Young Adult Oncology (AYAO) Implementation Group. National Cancer Institute
2007-2008	Division Representative	Division of Cancer Control and Population Sciences Representative to the Director's Consumer Liaison Group (DCLG). National Cancer Institute
2006-2007	Co-Chair	Cancer Special Interest Group pre-conference workshop entitled "Cancer and aging: Challenges and opportunities across the continuum of care. SBM
2006-2008	Scientific Education Committee	Cancer Prevention Fellowship Program. Division of Cancer Prevention. National Cancer Institute
2005-2008	Member	Planning Committee for the Third and Fourth Biennial Cancer Survivorship Research Conference "Cancer Survivorship Research: Mapping the New Challenges"
2006-present	Advisory Committee Counsel	Camp-Make-A-Dream, Children's Oncology Camp Foundation, Missoula, Montana
2005-2008	Board of Directors	The Ulman Cancer Fund for Young Adults (UCFYA)
2007	Legislative Input	Bill (H.R.4450 - "Pediatric, Adolescent, and Young Adult Cancer Survivorship Research and Quality of Life Act of 2007.") introduced to the 110 th Congress
2006-present	Member	Cancer Special Interest Group Steering Committee Society of Behavioral Medicine
2005-2008	Volunteer	Federal Public Health and Medical Ready Reserves. Department of Health and Human Services
2005-2008	Board of Directors	Ulman Cancer Fund for Young Adults
2005	Tour of Hope National Team	Bristol-Myers Squibb Tour of Hope

GRANT SUPPORTGrants and Contracts

CLAS Scholarship Facilitation Fund UConn	Denes and Bellizzi (Co-PI)	2/2/21-present
<i>Exploring Communication About Cancer in LGBTIQ+ and Heterosexual Relationships</i>		
Total Award: \$19,827		
Role: Co-PI		
Connecticut Breast Health Initiative	Bellizzi (PI)	8/1/18-7/30/19
<i>Genetic Counseling for BRCA1/2 Mutations: Preferences and Outcomes of Counseling</i>		
Total Award: \$45,000		
Role: PI		
NCI, NIH - UG3/UH3 CA220642-01	Bellizzi (PI)	9/25/17-9/24/22
<i>Multilevel Resilience Trajectories in the Transition to Cancer Survivorship</i>		
Total Award: \$3.3 million		
Role: PI		
NCI, NIH – Contract	Bellizzi (PI)	8/23/16-2019
<i>Senior Scientific Advisor to the Outcomes Research Branch, Division of Cancer Prevention and Control National Cancer Institute (NCI), National Institutes of Health (NIH)</i>		
Total Award: \$194,166		
Role: Senior Scientific Advisor		
UCHC/CHIP Cancer Control Grant	Bellizzi (PI)	7/1/14-6/30/2017
<i>Exercise, Bone and Cardiovascular Health in Breast Cancer Survivors</i>		
Total Award: \$35,000		
Role: PI		
NCI, NIH - SEER Special Study	Harlan (PI)	2007-2016
<i>Patterns of Care and Health Outcomes Study of Adolescent and Young Adult Cancer Survivors</i>		
Total Award: \$994,000		
Role: Co-I. Co-led the development, validation, implementation, and analyses of the AYA HOPE survey used in the largest population based study of health outcomes in adolescent and young adult survivors of cancer.		
NCI, NIH - N01-PC-35136 & N01-PC-35139	Rowland (PI)	2008-2015
<i>Follow-up Care Use and Health Outcomes of Adult Cancer Survivors (FOCUS)</i>		
Total Award: \$554,000		
Role: Co-I. Involved in the conception, implementation, analyses, and dissemination of this NCI contract.		
CT Challenge	Bellizzi (PI)	2014-2015
<i>The SuN Study: Cancer Survivors and Nutrition: Exploring the Impact</i>		
Total Award: \$25,000		
Role: PI		
CT Challenge	Bellizzi (PI)	2012-2013
<i>12-Week Wellness Program (evaluation project)</i>		

Total Award: \$25,000

Role: PI

The Bennett Fund for Innovative Education in Health and Society 2011-2012

Educational Program in Research on Social Aspects of Health

Total Award: \$100,000

Role Co-I

UConn Large Grant Competition Bellizzi (PI) 2010-2012

Families of Colorectal Cancer Survivors: Experiences and Impact (FACES) Survey

Total Award: \$35,000

Role: PI

InHealth Technologies Salner (PI) 2010-2013

Technology and access to work during and after prostate cancer treatment

Total Award: \$226,495

Role: Co-I. Led the development of the survey used in this project as well as implementation, analyses, and dissemination.

NCI, NIH - N01-PC-35139 & N02-PC-1510 Arora (PI) 2003-2010

Experience of Care and Health Outcomes of Survivors on Non-Hodgkin's Lymphoma.

Total Award : \$510,000

Role: Co-I. Key role in the design, implementation, analyses, and dissemination of this project.

National Institute of Aging, NIH (R03) Blank (PI) 2001-2003

Prostate Cancer Survivors Quality of Life

Total Award : \$50,000

Role : Graduate Research Assistant and Project Manager

Grant Applications in Preparation

National Cancer Institute U01 (RFA-CA-19-033) Bellizzi (Co-PI) In process

Improving outcomes for pediatric, adolescent and young adult cancer survivors

Proposed budget (Direct costs: \$2.5 million over 5 years)

Role: Co-PI

National Cancer Institute R01 (RFA-CA-19-035) Bellizzi (Co-PI) In process

Optimizing the management and outcomes for cancer survivors transitioning to follow-up care

Proposed budget (Direct costs: \$2.5 million over 5 years)

Role: Co-PI

Grants Submitted but Not Funded

Alex's Lemonade Stand Bellizzi (PI) 2016

A Multilevel Perspective on Pediatric Cancer Survivors' Health Behaviors

National Institutes of Health, NCI (R01) Bellizzi (PI) 2014

Efficacy & Cost-Effectiveness of Care Plans for Underserved Cancer Survivors

National Institutes of Health, NCI (R01) Bellizzi (Co-PI) 2012

Trajectories of Fear of Recurrence in Survivors of Colorectal Cancer

National Institutes of Health, NCI (R21)	Salner (PI)	2010
<i>Determinants of work of cancer survivors treated with chemotherapy and/or radiotherapy</i>		
Keith Bellizzi (Co-I)		
UConn Grant Competition	Bellizzi (PI)	2009
<i>Acceptability and Feasibility of an Exercise Intervention for Older Adults with Bladder Cancer</i>		
Brookdale Foundation Fellowship	Bellizzi (PI)	2008
<i>Cancer Survivorship and Aging</i>

(2002). *Resilience in prostate cancer survivors: A comparison among primary treatment modality, severity of diagnosis, and hope and optimism across the second half of life*. Poster presented at the Biennial Cancer Survivorship Conference cosponsored by the National Cancer Institute (NCI) and the American Cancer Society (ACS). Washington, DC

Bellizzi KM. (2002). *The impact of cancer on one's perspective on life: Across the lifespan*. Poster presented at the annual meeting of the Society for Behavioral Medicine. Washington, DC

Bellizzi KM, Oakes CE, & Blank TO (2002). *Examining the convergence of control processes and social comparison theory in midlife and older adult cancer survivors*. Poster presented at the annual meeting of the Society for Behavioral Medicine. Washington, DC

Bellizzi KM, & Sheehan NW. (2001). *Generativity and post-traumatic growth in adult cancer survivors*. Poster presented at the annual meeting of the Gerontological Society of America. Chicago, IL

Blank TO, Stelle CD, & **Bellizzi KM**. (2000). *An examination of coping styles and life satisfaction of mid-life cancer survivors using the MIDUS data set*. Poster presented at the annual meeting of the Gerontological Society of America. Washington, DC

INVITED PLENARY/KEYNOTE TALKS (SELECTED)

National Invitations

1. Plenary speaker at the Cancer Prevention and Control Seminar Series. Alvin J. Siteman Cancer Center at Washington University School of Medicine and Prevention & Control Program. (May, 2018)
2. Keynote address: Annual Cancer Survivorship Meeting. Backus Memorial Cancer Hospital (Oct. 2015)
3. The tenth annual survivorship series: Living with, through and beyond cancer. Part II: Finding joy and meaning after cancer. CancerCare, New York, NY. (April 2012).
4. Expert Panel Member. *New Jersey Summit on Cancer Survivorship*. New Jersey Commission on Cancer Research. The Cancer Institute of New Jersey (Nov 2009).
5. Keynote address. *Southwest Georgia Cancer Symposium*. Health behaviors of adult cancer survivors. Albany, GA (Oct. 2009)
6. Hospital of Central Connecticut. Keynote address. *National Cancer Survivors Day*. Event held at the Aqua Turf in Plainville, CT. (June 2009)
7. The seventh annual survivorship series: Living with, through and beyond cancer. Part III: Managing the stress after cancer. CancerCare, New York, NY. (April 2009).

8. The Cancer Survivors Symposia Series II: Issues and Solutions for Life after Cancer. *Healing the Spirit after Cancer*. Massey Cancer Center, Virginia Commonwealth University. (Nov. 2007)
9. The fifth annual survivorship series: Living with, through and beyond cancer. Part III: Finding hope and meaning after treatment. CancerCare, New York, NY. (June 2007)
10. Cancer Awareness and Survivorship Day. Health Resources and Services Administration (HRSA). U.S. Department of Health and Human Services, Rockville, MD. (July, 2007)
11. Health behavior breakout session (moderator). The 2006 Biennial Cancer Survivorship Research Conference, National Cancer Institute, Bethesda, MD. (Oct 2006)
12. Young Adult Survivors Conference. Camp Mak-A-Dream. Invited to give keynote lecture on exercise and quality of life following treatment. Missoula, MT. (May 2006)
13. Cancer Unplugged: Educational Series. Invited to lecture about survivorship and transitioning from cancer patient to survivor. The Ulman Cancer Fund for Young Adults, Baltimore, MD. (March 2006)
14. The sequel to the great debate: Are psychosocial interventions for cancer patients effective? Invited talk delivered at the Behavioral Research Program Science Journal Club, National Cancer Institute, Bethesda, MD. (May 2005)
15. Measurement issues with research in benefit finding and psychological growth. Co-led (with Suzanne Lechner) roundtable discussion at the APA sponsored conference, Perspectives on Positive Life Changes, Benefit-Finding and Growth Following Illness conference, Storrs, CT. (May 2005)
16. Cancer prevention and clinical trials. Invited talk delivered to 1,200 High School students as part of a fundraiser for PanCan (pancreatic cancer action group). Good Counsel High School, Wheaton, MD. (Nov. 2005)
17. Cancer research, clinical trials, and the Tour of Hope. Invited talk delivered at the Rockville, City Hall for the Rockville Bike Advisory Committee. Rockville, MD. (Nov. 2005)

International Invitations

1. Keynote address: Research to Integrate Supportive Cancer Care. *Cancer and Aging*. The National Conference for Cancer Survivorship in Dublin, Ireland. Irish Cancer Society. (Sept 2015)
2. Plenary Presentation. Recapturing joy and finding meaning. The National Conference for Cancer Survivorship in Dublin, Ireland. Irish Cancer Society. (Sept 2013)
3. Plenary Presentation. *Think Tank on Translational Research in Chronic Diseases*. The University of British Columbia, Vancouver, BC (Oct. 2010).
4. Cancer Colloquium, University of St. Andrews, Scotland. *Think Tank on Fear of Recurrence in Adult Cancer Survivors*. (Feb. 2009)

MEDIA INTERVIEWS AND POPULAR PRESS (SELECTED)

1. **Life Reimagined: The Science, Art and Opportunity of Midlife**. (2017). Barbara Bradley Hagerty (NPR journalist). Interviewed and cited in her popular press book about resilience in midlife. Penguin Publishing Group.
2. **Psychology Today**. The New Cancer Survivors. (March 2015), by Wendy Paris
3. **Reuters: New York**. Cancer Screenings Common Among Older, Sick Americans (2014) by Andrew Seaman
4. **Volunteer Spotlight**, CancerCare Community Newsletter Spotlight
5. **Reuters Health**. Many elderly screened for cancer despite doubts. Dec. 12, 2011, by Frederick Joelving
6. **ABC News**. Older Adults Get Cancer Screenings against Recommendations. Dec. 12, 2011, by Kim Carollo

7. **US News and World Report.** Are Too Many Older People Screened for Cancer? Dec. 12, 2011, by Steven Reinberg
8. **The Hartford Courant.** UConn Study: Older People Still Getting Screened for Cancer. Dec. 12 2011, by Bill Weir
9. **Psychology Today.** Interviewed for a story on cancer survivorship “The New Survivors” published in July/August 2009 issue, by Pamela Weintraub
10. **The Philadelphia Inquirer.** Interviewed for a story on “The routine fear of cancer patients: Psychic distress is labeled ‘scanxiety’” published March 11, 2009, by Stacey Burling
11. **UConn Advance.** Featured story “More research needed to improve care for older adults with cancer” published February 17, 2008. by Colin Poitras
12. **CURE Magazine.** Interviewed for a story on “Lifestyle Changes Following Cancer”. Published in the summer of 2008. by Katy Human
13. **Richmond Times – Dispatch.** Interviewed for a story regarding presentation made at the Virginia Commonwealth University – Massey Cancer Center Survivorship Symposium. “*Helping Cancer Survivors Savor Life*”, November 2007
14. **Scripps Howard News Service.** Interviewed for a story regarding NCI funded study on caregivers of cancer survivors. “Caregivers of Cancer Patients Benefit from Counseling. November 13, 2007.
15. **Australian Financial Review. Men’s Health.** “Peace of mind needed in surviving cancer”, based on published research in the Journal of Cancer Survivorship on identity and prostate cancer. July 19, 2007
16. **BEYOND: Live and Thrive After Breast Cancer. National Magazine.** Interviewed for a story entitled “Now What? Adjusting to the New Normal” based on research published in health psychology on posttraumatic growth in breast cancer survivors. 2006
17. **Reuters Health.** Interviewed for a story regarding published research article (Current health behaviors of cancer survivors) in the Journal of Clinical Oncology, 2005.
18. **Associated Press.** Interviewed for a story as a member of the Tour of Hope National Cycling team (October 8; Jim Litke; Lance reminded it’s good to be the king). 2005
19. **Yomiuri Shimbun Tokyo.** Interviewed for an article by Mayumi Honda “Medicine people want to change. Clinical trials for cancer saves lives”. November 2, 2005
20. **Washington Post.** Quoted as a Tour of Hope National Cyclist for an article (October 6; Susan DeFord; Armstrong to roll into Columbia). 2005
21. **Los Angeles Times.** Interviewed and quoted as a Tour of Hope National Cyclist for an article (October 3; John Horn; Like Lance, they live and ride strong). 2005
22. **Hartford Courant.** Interviewed and quoted as a Tour of Hope National Cyclist for an article (August 8; Bill Leukhardt; Cancer survivor spreads hope). 2005
23. **W-USA 9 (CBS Washington, DC).** Interviewed as a Tour of Hope National Cyclist for a news story (July 26; Nancy Yamada; if I could be like Lance). 2005
24. **WFSB (CBS Hartford).** Interviewed as a Tour of Hope National Cyclist for a Connecticut news story (August 2005; John Holt; Connecticut resident spreads hope). 2005

TEACHING EXPERIENCE

Undergraduate Courses

- Research Methods in the Behavioral and Social Sciences
- Adult Development and Aging
- Living with Chronic Illness
- Death, Dying and Bereavement
- Introduction to Epidemiology (module on cancer survivorship)
- Supervised Field Experience (Human Development and Family Studies)

- Introduction to Sociology (Quinnipiac University)
- Human Resource Management (Quinnipiac University)

Graduate Courses

- Adaptation and Development in Adulthood
- Living with Chronic Illness
- Teaching Practicum
- Research Practicum in Cancer Control and Population Science

Other Teaching Experience

- Cooperative Parenting after Divorce (University of Connecticut and the State of Connecticut Judiciary Department)
- Career Development Workshop Series for Doctoral and Masters Students (Yale University, Graduate School of Arts and Sciences)

GRADUATE STUDENT MENTORING/ADVISING

Postdoctoral Mentoring

Alicia Dugan, PhD K-award mentor
Imran Ali, MD, MS, MPH

Current Status

Assistant Professor Medicine, UConn Health (2018-present)
UConn Geriatric Medicine Fellow (Serving as Senior Mentor to Dr. Ali on his Fellowship Research project) (2019-present)

PhD Major Advisor

Elizabeth Siembida, PhD, MPH (2016)
Kate Dibble, MA
Andrew Fabian, MFT
Kaleigh Ligus
Emily Fritson

Postdoctoral Fellow at the National Cancer Institute
PhD candidate (anticipated PhD, 2020)
Currently on leave
Incoming PhD student
Incoming PhD student

PhD Associate Advisor

Marina Vravecic
Erin Donoghue
Courtney Lincoln, PhD (2019)
Jessica Maksut (2018)
Terrence Vance, PhD (2015)
Cammy Froude, PhD (2015)
Allison Wong, PhD (2013)
Steven Schmidt, PhD (2012)
Kathleen Payne (2012)

Current Status

PhD Candidate (2019)
PhD candidate
Postdoctoral fellow, School of Public Health, Yale University
Postdoctoral fellow, Johns Hopkins University
Assistant Professor, Nutrition, SUNY Plattsburgh
Faculty, UCSF, Family Medicine Residency, Behavioral Health
Assistant Professor, Psychology, Fuller Theological Seminary
Associate Professor, Psychology, Wilson College
Social Worker, CT Dept of Children and Families

Masters Students

Kaleigh Ligus
Ashley McKenna, MA (2009)

Current Status

MA candidate (anticipated MA, 2019)
Graduated (2009)

Supervised Undergraduate Research Students (notable)

Samantha Guarneri (2017)	MPH student in Health Policy Analysis and Evaluation, University of Maryland
Shelby Borowski (2015)	PhD student in HDFS at Virginia Tech
Ye Sun (Holster and Rowe Scholar) (2015)	UConn Medicine Program, Research Assistant, CT Children's Medical Center
Chelsea Bleckwehl (2011)	Clinical Project Manager at Augmenix Inc
Alyssa Loutsion (2011)	Pastoral Assistant at St. John the Divine Greek Orthodox Church

DEPARTMENT AND UNIVERSITY SERVICE

1. PTR Committee (2014-2017; 2019-present)
 2. Undergraduate Curriculum Committee, HDFS (2018-present)
 3. UConn, HDFS Graduate Student Award Committee (2018, 2019)
 4. Chair, Faculty Search Committee. Department of Human Development and Family Sciences (2016)
 5. Graduate Admissions Committee. Department of Human Development and Family Sciences. CLAS, UConn (2012-2013)
 6. Faculty Advisor, UConn Colleges against Cancer Student Group (2013-present)
 7. CLAS Deans Committee on Committees UConn (2012-present)
