HDFS 3080/3090 SUPERVISED FIELD EXPERIENCE

INSTRUCTION AND INFORMATION PAGE

Prerequisites: 15 completed credits of 2000-level HDFS courses and an HDFS GPA of 2.5 or higher.
Suggested Prerequisite: HDFS 2001 “Diversity Issues in HDFS”

HDFS 3080/3090 provides students with an opportunity to:

- Gain meaningful experiences and skills related to the development and welfare of individuals and families by working under the supervision of professionals in various settings.
- Integrate their classroom learning with a practical experience under the guidance of a faculty supervisor in a fieldwork seminar.

To enroll in a supervised fieldwork experience, please see the following information

Course enrollment is by permission only. You will not be able to enroll in the course until you complete the following application form and turn it into the instructor.

Do you intend to use this 3080/3090 toward the Certification in Family Life Education? _____**

**You are required to confirm a site visit with Dr. Russell prior to enrolling
