1) Bold numbers indicate that courses may “double-dip,” or that two courses can fulfill Content Area (CA) One, Two, or Three and also CA Four. Please note that CA One is the **only** CA where two courses may be used to fulfill other content areas. Only one course from CA Two or Three can be used to meet any other content area. 2) If a course is offered as both W and non-W, either will fulfill the General Requirements. 3) \* = foreign language pre-requisite/taught in foreign language. 4) Courses in CA One, Two, and Three must be taken in at least six different academic units. 5) Additional courses approved for general education after catalog deadline date can be used to meet requirements. Visit the CLAS Academic Services Center website for more information. 6) Students must complete **all** content areas and competencies to fulfill the CLAS general education requirement.
